Requesting Information for Final Injury Investigation Regarding the Antidumping Case on Portland Cement and Its Clinker from Vietnam

In order to proceed with the final injury investigation of the antidumping case on Portland Cement and Portland Cement Clinker from Vietnam, the International Trade Administration (TITA) of the Ministry of Economic Affairs (MOEA) sends you the original copy of our official letter in Chinese that requests you to send us the following information:

Please provide us with the following details, and their public version for public reading, of Portland Cement and Portland Cement Clinker for the years 2019 through 2024 on an annual basis and for the first quarter of 2024 and 2025:

1. Production
2. Capacity Utilization
3. Inventory
4. Volume exported to Taiwan, with both FOB and CIF prices
5. Volume exported to other countries, with FOB prices
6. Home market shipments
7. Data projected of the above items for the year 2025.

Furthermore, please provide us with some brief introductory materials and annual reports of your company in English. Please

include company structure, manufacturing process, and product types.

If the information requested has been provided to us in the preliminary injury investigation, you may just update the data if needed.

Please return the requested data and materials to us no later than May 21, 2025, by e-mail, fax, or airmail.

All known interested parties will be kept informed about the progress of the investigation. The TITA will do this through its website: https://gov.tw/FJE "Investigation Cases," "Related Information by Case."
